BOARD TO ACT ON DISPUTED GAMES

Governors of Amateur Asso ciation to Unravel Sunday School Difficulties.

OTHER LOCAL COMMENT

Interior Lands Title by Outplayin Aggies-Eastern League Games to Be Played Over.

Br C. W. SWAN.

Pour protested games will be ruled on by the board of governors of the Amateur Association at a meeting of that body scheduled for Priday night in the board room of the American Security and Trust Company, at 8 o'clock. The protested games are June 12, Reformation vs. Ninth; June 2, Reformation vs. Ninth; June 2, Prize M. P. vs. Ninth; July 2, Immanuel vs. Whitney Avenue, and July 7, Whitney Avenue vs. Immanuel.

A conference of the board was held last night in the office of the Washington baseball club, with President Young as chairman. Manager Griffith, Secretary Shurtleff, and Treasurer Kind attanded the meeting. Plans for the playing of the post-senson series were discussed at length, but nothing was given out for publication.

It is understood that the original plan of putting the names in a hat and drawing for places in the sections will be adhered to, and that the several ideas advanced by different members of the association will not be carried out.

Interior clearly outplayed the Aggies penterday in the Department League. Dolly Gray pitched a pretty game, elewing only four hits, and also was supported in brilliant form. Fisher on second, and Walthern in abort, played a great game in the field, the latter taking two Texas leaguers in easy fashion. The Redmen got the jump on the Aggies, by scotting three runners in the opening trane. This appeared to take all the fight out of Bob Murphy's citub, and first had them buffaleed. Harry Shain led with the willow, getting a brace of singles, while he took care of his two files faultlessly.

The game of Monday in the Eastern, between the Shamirocks and the Mohawka, will be played over. At a meeting of the league last night it was discovered to the standing of the league, and both managers agreed to play the contest over.

Young Thomas, the local feather-weight boxer, will get his last chance in the ring at Ardmore tomorrow night, as a preliminary boy. Unless Thomas shows better than he did on his first appearance, he will not be given another show. Thomas showed considerable promise hast winter, fighting in Raitimore, but in his bout with Jack Andrews, of Baltimore, at Ardmore, he looked like a lemon. It is now up to Thomas.

lemon. It is now up to Thomas.

Manager Oliveri, of the Vigilants, has accepted the challenge of the Holy Cross accepted the challenge of the Holy Cross Eyeum baseball team, of Bailtoners, Md., and has booked them for this Sunday in a double-hander at the Vigilant, Park. Pittogash and-H Streets Northeast. The Holy Cross Boys have played the strongest teams in and around Faltimore, including the Maryland Meters and Hill Hyers Yannigans. Included in their line-up are a few former minor league boys. One local manager has shown by booking thee games that he is after the strongest teams available, and the patrons of Vigilant Park are sure to see some good fast ball games. The first game will start promptly at 2.15, with Glovemettl on the mound and the second game will find Forest Thompsen and Zachary doing hemory.

pennant in the Departmental League yesterday by defeating Agriculture in the second game of the play-off for the champlomship by the score of \$ to 2. Weisenberger started the game for the Aggies, but after Interior had pounded his shoots for four runs and four hits he gave way to Owens, who disished the same in fine style, allowing only one run and two hits during the remainder of the game. Gray, who opposed Weisenberger, was in good form, holding the hard-hitting Aggies to four scattered hits and striking out saven. Interior started the scoring in the first after two were out, when Tansill was hit by a pitched halt, Shalin singled, Robinson walked, and all scoring on Straight's hit to left. They added another in the second on a single, a stolen hase, and a sacrifice fig.

The Aggies counted one in the fourth, when Murply tripled and scored on Carroll's single. Their final taily came in the seventh, when Ruiley tripled and scored on a passed ball.

The game was slow throughout, being played on a wet field, and twice being realled on account of rain, the only bright spot being a sensational one-hand stop of a liner by Robinson, interior's crack first sacker.

Yesterday's game ended the best reason the Departmental League has had in a lond while, and the officials feel greatly encouraged with the showing made, and foel confident that the pennant winners will be heard from in the post-season service. Time. 1:II 1-2 Kittle Waddell and Pertual also ran.

Scheme of Beautification.

The commission approves the general plan for beautifying the Pacific entrance to the canal, and the scheme for utilizing the small islands in Panamas Bay for this purpose. A part of this plan includes a causeway leading from the City of Panama to Naos Island in the Ray. The engineers had planned planting rows of trees along the causeway, but the Pine Arts Commission in order to form an avenue for a diveway, but the Pine Arts Commission because the say they would observe a view of the city of Panama from the Decision because the say they would observe a view of the city of Panama from the Pacific. They also enter an objection to the building of wharves and docks at Cristobal, the eastern entrance of the canal, on the ground that a view of the city of Cristobal would be obscured from the Atlantic entrance by these buildings. They recommend a modification of the plan, so that the Ccitobal vista may be lan. so that the Ccitobal vista may be
